In the event that any portion of any Dwelling encroaches upon the Common Areas and facilities as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the aforesaid Dwelling, a valid easement of such encroachment and for the maintenance of same shall exist so long as such encroachment exists.

5. Utility Lines. Each Owner shall be solely responsible for the care and maintenance of sanitary sewer, water, gas, electric, telephone, storm sewer, cable television or other utility conduits or lines that exclusively service each such Owner's Dwelling. In the event such conduits or lines are in need of repair and/or replacement and any portions thereof are located in, under and/or through an abutting Lot or property of any abutting Lot Owner, the Owner so repairing and/or replacing such lines shall have the right to enter upon and is hereby granted an easement to enter in and onto the front ten (10) feet of the Lot of an abutting Owner to perform the repair and/or replacement. The Owner so entering shall perform such construction and/or work as promptly as possible and shall take due precautions and care not to damage the Lot and/or property of the abutting Owner and to the extent the abutting Lot and/or property is dug into, displaced and/or dismantled, the Lot and/or

property shall, immediately upon the completion of the repair and/or replacement, be restored to the same condition it was prior to such work being commenced by the Lot Owner performing the construction and/or work.

III. MEMBERSHIP AND VOTING RIGHTS

1. Membership. Every Owner of a Lot which is subject to assessments shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

2. Classes of Voting Membership. The Association shall have two (2) classes of voting membership:

CLASS A. Class A members shall be all Owners, with the exception of the Declarant and/or all Class B member(s) and shall be entitled to one (1) vote for each Lot owned. When more than one person hold an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

CLASS B. The Class B member shall include the Declarant and its grantees, successors and assigns who acquire more than one lot prior to completion of a Dwelling thereon. The Class B member shall be entitled to three (3) votes for each Lot owned. The Class B Membership shall cease and be converted to Class A Membership on the

happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership, or

(b) seven (7) years from the date of recordation of this Declaration; PROVIDED, HOWEVER, that if the Class B member is delayed in the improvement and development of the Property on account of a sewer, water or building permit moratorium or any other cause or event beyond the Class B member's control, then the aforesaid seven (7) year period shall be extended by a period of time equal to the length of the delays or three (3) years, whichever is less.

Provided, however, the Class B membership shall be revived (and the Class B member shall again be entitled to three (3) votes for each Lot owned by the Class B member), during any periods of time occurring before December 31, 2015, when by reason of the annexation of additional land as a part of the Properties additional Lots owned by the Class B member exist which, when added to the other Lots then owned by the Class B member, would result in the Class B member having more than fifty percent (50%) of the votes of the Association were the Class B member to have three (3) votes for each Lot owned by the Class B

member instead of only a single vote for each Lot owned by the Class B member.

IV. COVENANTS FOR MAINTENANCE ASSESSMENTS

1. Creation of the Lien and Personal Obligations of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants and agrees, and each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for any purpose; such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, late charges, costs of collection, and reasonable attorneys' fees, shall be a charge on the land and shall be a lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, late charges, costs of collection and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

2. Purpose of Assessments. The assessments levied by the Association shall be used for the following purpose:

(a) to pay taxes and other governmental charges and assessments on the Common Areas, if any;

(b) to promote the health, recreation, and welfare of the residents in the Lots;

(c) to pay all administrative, managerial, legal, insurance and any other costs or expenses incurred by the Association in the operation of the Association;

(d) for the use, improvement, maintenance, repair, and replacement of the Common Areas;

(e) to provide an adequate reserve for maintenance, repair and replacement of the Common Areas and any improvements situate thereon;

(f) to pay for the cost of use, improvement, maintenance, repair and replacement of storm water management facilities and recreational amenities, if any, constructed upon the Common Areas or upon public easement areas appurtenant to the Property.

3. Maximum Annual Assessment. Until January of the year immediately following the conveyance of the first Lot to an Owner the maximum permitted annual assessment shall be Four Hundred Dollars (\$400.00) per Lot per year, which shall be payable monthly, quarterly, semi-annually or annually, as determined by the Board.

(a) >From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment may be increased each year not more than ten percent (10%) above the maximum permitted annual assessment amount for the previous year, as may be calculated in a cumulative manner,

such increase to be determined by the Board, without a vote of the membership.

(b) >From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum permitted annual assessment may be increased above ten percent (10%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) That Board of Directors may fix the annual assessment at an amount not in excess of the maximum permitted annual assessment amount.

4. Declarant's Duty to Fund Deficits. Any and all Lots owned by the Declarant shall be exempt from assessment pursuant to this Article IV. During any fiscal year in which the Declarant owns one or more Lots, it shall be obligated to or for the account of the Association, at such time or times as is reasonably required by the Association an aggregate amount equaling the lesser of (a) the total amount which Declarant would have owned to the Association if such Lots had been eligible for assessment during that fiscal year, or (b) the amount, if any, by which the expenses of the Association exceed the assessment levied against all Lots eligible for assessment for that fiscal year. Declarant shall be entitled to meet such funding obligations by making, or causing, one or more cash payments or in-kind distribution of goods or services, or any combinations

thereof, and the Association shall have the right to enter into written or oral contracts with the Declarant for contribution of such goods or services. Nothing in this Section or elsewhere in this Declaration shall be deemed to impose upon the Association or Declarant any duty whatsoever to refrain from increasing the respective amounts of any assessments from fiscal year to fiscal year or from levying any special assessments, all to the extent otherwise permitted by this Declaration.

5. Special Assessments. In addition to the annual assessments authorized above, (1) the Board may, without consent of the membership, levy special assessments not exceeding the aggregate total amount of Ten Thousand Dollars (\$10,000.00) in any given calendar year for the purpose of defraying, in whole or in part, any unbudgeted contingency expense of a non-recurring nature or other extraordinary expense; and/or (2) the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property, or for any other purpose, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting called for this purpose.

6. Notice and Quorum for any Action Authorized Under Sections 3 and 5. Written notice of any meeting called for the

purpose of taking any action under Article IV, Sections 3 or 5 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast twenty-five percent (25%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called subject to the same notice requirements set forth above, and the required quorum at any subsequent meeting shall be reduced to one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7. Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all Lots, except as noted in Section 4 of this Article, and may be collected on a monthly basis, quarterly, semi-annually, or annually, as determined by the Board.

8. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence thirty (30) days following the sale and settlement of the first Lot on each parcel of ground so annexed. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice

of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

9. Effect of a Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within fifteen (15) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum and late charges not exceeding Fifteen Dollars (\$15.00) or one-tenth (1/10th) of the total amount of the delinquent assessment or installment, whichever is greater, provided the late charge may not be imposed more than once for the same delinquent payment and may only be imposed if the delinquency has continued for at least fifteen (15) calendar days. The Owner shall also be responsible for payment of all costs of collection and reasonable attorneys' fees incurred by the Association as a result of non-payment of the assessment amount. Subject to the provisions of Section 14 of this Article, the Association may bring an action at law against the Owner personally obligated to pay the same, or, establish and foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for

herein by non-use of the Common Areas or abandonment of his Lot.

10. Notice of Lien. No action shall be brought to establish or foreclose an assessment lien or to proceed under the power of sale herein except in strict accordance with Delaware law.

11. Foreclosure. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant, agree and authorize the Association to foreclose on any recorded lien in accordance with the procedures prescribed in the rules pertaining to foreclosures of mortgages in the Delaware Rules of Procedure, as if the Association were the mortgagee and the Owner were the mortgagor.

12. Curing of Default. Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed One Hundred Dollars (\$100.00), to cover the costs of preparing and filing or recording such release.

13. Cumulative Remedies. The assessment lien and the rights to foreclosure sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the

Association and its successors and assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

14. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional Mortgagee providing purchase money financing in either the form of a single purchase money first mortgage or a combination purchase money first and purchase money second mortgage, such purchase money first and purchase money second mortgage combination designed to facilitate financing due to statutory lending limits which may prohibit financing of first mortgages in excess of certain dollar amounts. Sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot Owner from liability for any assessments thereafter becoming due from the lien thereof.

15. Notice to Mortgagees. Upon request, the Association shall notify the Mortgagee of any first mortgage or any first deeds of trust on any Lot for which the assessment levied pursuant to this Declaration becomes delinquent for a period in excess of sixty (60) days and in any other case where the Owner of such Lot is in default with respect to the performance of any other obligation hereunder for a period in excess of sixty (60) days. Such notification shall be in writing.

V. ARCHITECTURAL STANDARDS

1. Creation.

(a) There shall be an architectural committee (referred to as the "Architectural Committee" or "Committee") for the Lots. The Committee shall have a minimum of three (3) members, each of whom shall (notwithstanding the expiration of the period referred to in the provisions of subsection (b) of this Section 1) serve as such until the earlier to occur of:

(i) his resignation from the Committee, or

(ii) his replacement pursuant to the

following provisions of this Section by the Declarant or the Board.

(b) The Declarant shall have the exclusive right from time to time to designate and replace the members of the Committee until the later to occur of:

(i) the seventh anniversary of the date hereof, or

(c) Thereafter, the Board shall have the exclusive right to designate and replace the members of the Architectural Committee who will serve at the pleasure of the Board.

2. Approval.

of Article VIII, and except for any improvements by the Class B member(s), no change, alteration or addition affecting the appearance of the exterior of any Lot shall be commenced, no building, driveway, parking pad, storm door, screen door, fence, wall, sign, fuel tank, deck, patio, shed, mailbox, privacy screen, sidewalk, flue, chase, antenna, porch, steps, pool, play equipment, swing set, basketball hoop, hot-tub or clothes dryer, or other structure of any kind whatsoever (each of which is hereinafter referred to as an "Improvement") shall be constructed, reconstructed, placed, (even temporarily or periodically), maintained or modified (other than, (1) exterior repainting in the same color as the existing color, upon prior written approval of the Board and (2) interior painting or other modifications not visible from or affecting the exterior of the Dwelling), and no landscaping shall be added to a Lot nor altered on a Lot, unless such action and such Improvement has been approved expressly and in writing by the Architectural Committee, which shall have the absolute right to refuse to grant such approval for any aesthetic or other reasonable cause, and to withhold such approval until plans and specifications, showing in reasonable detail the nature, kind, shape, height, materials, location and approximate cost of such Improvement, have been submitted to and approved by the Committee expressly and in writing. In considering whether to grant any such approval, the Committee may consider the suitability of such proposed

Improvement with relation to such Lot and the other Lots, and may base such consideration upon such, if any, information concerning the nature, kind, shape, heights, materials, location and approximate cost of such Improvement as is furnished to the Committee, as aforesaid, all to the end that such Improvement shall be in harmony with, and have no perceived adverse affect upon, its immediate surroundings and the other Lots.

(b) If any Owner submits to the Committee a written application for approval of any Improvement as aforesaid, and if the Committee has not disapproved, in writing, said application within sixty (60) days of receipt hereof, such approval shall thereupon be deemed to have been given.

(c) The affirmative vote of a majority of the members of the Committee shall be required for it to take any action; provided, that such majority may designate one member to act for it.

(d) The above provisions to the contrary notwithstanding, the provisions set forth in Article V shall not apply to any Structures commenced, erected or maintained by a Class B member on any Lot, or within the Property until after completion thereof by the Class B member and conveyance to a Class A member.

In the event of such an election by the Association, the cost of such maintenance and/or replacement shall be paid by the Association, and not the Owner of the Lot(s).

(b) In the event that any Owner shall fail to maintain any Lot or the premises and the improvements situate thereon in a manner satisfactory to the Board, the Association, after approval by a majority vote of the Board of Directors, shall have the right, through its agents, contractors and employees to enter upon said Lot and to repair, maintain and/or restore the Lot, the premises and any improvements erected thereon. Such right of entry, repair, maintenance and restoration shall be exercisable only upon fifteen (15) days' written notice given to the Owner thereof, unless, in the discretion of the Board, a genuine

emergency necessitates a shorter period of time. The costs of any such repairs, maintenance and/or restoration shall be added to and become part of the lien for assessment to which such Lot and Owner is subject. Enforcement of the right to recover these assessments may be had pursuant to Article IV, Section 9, hereof.

imposed by the provisions of this Declaration. In the event the Association institutes legal action to compel enforcement, it shall be entitled to recover all court costs and reasonable attorneys' fees incurred from the violating Owner. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
